Ultra-stylish design

10.1" anti-reflective LED display

Island keyboard

If you're looking for great value then you've found it - the Samsung NC110 netbook. Despite being budget-friendly, it comes in a choice of stylish colors and incorporates many advanced features designed to help you stay in touch and squeeze more into your day. As well as simplifying everyday tasks with genuine Windows® 7 Starter, its intelligent wireless connectivity means you can automatically use any available network or you can access the Internet practically anywhere through your smartphone. Of course, if you're into the viewing videos or photos you'll be seriously impressed by its ultra sharp and bright screen, which is also anti-reflective so you can enjoy clear images even in direct sunlight. Its narrow bezel also makes it smaller than other netbooks. In fact, because the NC110 weighs just 1.18kg and has an extensive battery life of 10.7 hours** you can watch whatever you like, whenever and wherever you like!

Why Samsung PC?

A TRUSTED BRAND

Through a dedication to quality, performance, technology, design and service, Samsung has risen to become one of the fastest growing PC vendors in the world. This has helped Samsung become the largest electronics company in the world.

BETTER PERFORMANCE & BETTER TECHNOLOGY

Samsung PC products are continually celebrated by the world's media for outstanding performance – including "Product of the Year 2009" awards from Wired (US), Mikro PC (Finland), and PC World (China & Poland).

UNRIVALLED PRODUCT QUALITY

We manufacture the vast majority of our laptop components, so we can be certain they are world class. Our vigorous quality assurance program and ISO standard manufacturing process, also ensure that only the best products make it through to the customer.

DESIGNED TO TURN HEADS

Through worldwide design centers and partnerships with product designers, we have created laptops with style that have won prestigious design awards such as the iF and IDEA Design awards and the Good Design 2009 "Gold Award".

WORRY-FREE SERVICE

We're committed to providing the best, most timely customer service in the industry and proud to be recognized as the leader in customer service satisfaction (ranked #1 for customer satisfaction in the notebook PC category by C'T Magazine Germany in May2010).

Works the way you want. Windows® 7

Outstanding graphics & multimedia

The NC110 is designed to enhance your life on the move with its ultra-sharp LED screen and comprehensive multimedia capability.

10.1" anti-reflective LED display

Enjoy movies, videoclips and images that are clear and picture perfect even when you're outside in bright light with an anti-reflective LED backlit display.

Enhanced acoustic chamber system

SRS Premium Sound™ delivers more natural and realistic 3D sound for music, movies and games with its bigger acoustic chambers. It also provides enhanced bass, crystal clear dialog and better definition control for maximum clarity at high frequency.

Enhanced usability

The NC110 includes a range of advanced tools and features to help you stay in touch and get things done fast.

Island keyboard

Features a low profile Island keyboard with an ergonomic design and optimized key spacing, so it more comfortable to use with fewer errors. Its direction keys are also highlighted in a different color from other keys, so they are quick and easy to find.

Fast Start

Don't waste time waiting to power up. "Fast Start" lets you get started within three seconds of opening the display or pressing the power button. In this advanced sleep mode, data is also saved on HDD as well as memory, so your content is ready, just as you left it, even if power is suddenly lost or you change the battery.

Sleep-and-Charge USB

A Sleep-and-Charge USB port can charge portable devices, such as smartphones or MP3 players, even when it's sleeping or turned off.

Affordable mobility

Combining a long battery life with its stylish and streamline design the NC110 is the affordable choice for anytime, anywhere ultra mobile computing.

Exceptional value

Enjoy all the high-end style you're looking for, without the high price tag. With extensive quality assurance testing and most of its components manufactured by Samsung it affordably delivers a high quality design, exceptional reliability and long-lasting value.

PowerPlus battery

Delivers perfect mobility and freedom with its power-efficient performance. There's a "battery life extender mode", so the battery lasts longer, and an "express charging mode" for shorter charging times. It also has an extensive battery life of up to 10.7 hours** (6600mAh).

PhoneShare

Samsung's PhoneShare is a PC-Phone technology that lets you access the Internet anywhere by "tethering" your mobile phone's 3G network to your PC. It also makes it possible to send SMS text messages or make phone calls direct from your netbook, or use the netbook's Wi-Fi network from your smartphone.

Extensive wireless connectivity

WiFi manager makes it easy to get connected by automatically finding and connecting to any available WiFi network. Plus Aadvanced communications technologies, including 802.11bgn* wireless, Bluetooth 3.0 High Speed and 3G modem (HSPA*, WiMAX* and WiBRO*), provide high speed access to the Internet and your data.

Peace of mind

The NC110 is the ideal choice if you like to play things safe, as it is designed to protect you and your data from the risks of everyday life.

Simple data back up

Samsung Recovery Solution automatically and regularly backs up your data to the hard drive (or users can also back up to an external hard drive), so it can easily be restored, giving you the peace of mind that you're always protected.

International warranty service

Samsung's award-winning warranty service*** provides a fast track collection repair and return service in order to minimize disruption and get you going again as quickly as possible.

* Factory option.
** Battery life based on BatteryMark test scores that will vary based on configuration.
*** Warranty service availability and response times may vary from country to country and may also be subject to registration requirements in the country of purchase.
